To Our Friends and Customers:

We beg to announce the following changes in our official force: Mr. H. L. Tallman has resigned as president and has been succeeded by Mr. F. F. Follmer, who has so ably filled the position of vice-president and chairman of the board of directors for the past five years.

Mr. W. C. Thomas, has disposed of his interests and resigned, and is succeeded by Mr. W. H. Waters, jr., who has been connected with the Bank of Carthage for the past 13 years.

The new board of directors will be F. F. Follmer, W. R. Schooler, H. G. Griffin, A. F. Gresham, E. B. Jacobs, W. H. Waters, jr.

Mr. E. B. Jacobs, the head of the First National Bank of Carthage, where he has been located for the past 30 years, and who needs no introduction, will succeed F. F. Follmer as vice-president, and will also be a member of the Board.

Mr. H. L. Tallman, well and favorably known, who has served us as our president for the past five years, resigned on account of failing health and a desire to be relieved from business responsibilities.

Mr. W. C. Thomas resigns on account of a greater interest in the South where he will locate and devote his attention. The growth of this Bank can be attributed to the untiring efforts of Mr. Thomas and our efficient office force, as will be seen by reviewing past statements. They have increased the resources of the Bank near \$100,000 during their administration. We regret to lose Mr. Thomas and his estimable family. We desire to thank them and you as patrons for your support and trust we may be favored with a continuance of your patronage.

We consider ourselves fortunate in our new connections, the new officers long known in this community, and in whom we can guarantee the same loyal, conservative service which has been accorded you in the past. Come in and make their acquaintance.

Republican Guns Open Fire.

The County Republican Campaign will be opened in Jasper next Saturday under the auspices of the County Committee. County Chairman Clark will be present and will likely conduct the ceremony. Hon. Howard Gray of Carthage will be the principal speaker. The candidates are expected, from Joe Manlove, candidate for Congress, down to the bottom of the list.

If the weather permits the meeting will be held in the park, where a speaker's stand will be erected and seats and lights provided.

A big meeting is expected and Republicans are urged to come and everybody else is invited. The invitation is especially extended to the ladies.

Having heard from Maine, let us make this a great meeting.

Committee.

At the time of going to press the program includes the names of such well known township Sunday School workers as Will Wood of Lynnland, E. J. Hille of Preston, Gus Campbell, F. C. Wilkins, Miss Leighty and others.

Let every Sunday School send a good delegation to the convention.

J. D. Clarkson Here

J. D. Clarkson, general manager of the Jefferson Highway, with authority over the whole route from Winnipeg to New Orleans, addressed a meeting here last Saturday night.

The attendance was not as large as the occasion warranted, but the road enthusiasts were there and they were pleased and encouraged by the remarks of Mr. Clarkson and no doubt the fruits of that meeting will show in future road work here.

Births.

The following births were reported to The News this week:

The little fellow was down to Jasper to be attended to by Dr. Schooler. He is badly disfigured at present, but it is believed he will not suffer permanent injury.

New Traffic Ordinance

Traffic Ordinance No. 92, regulating the operation and use of motor vehicles, was passed by the city council at its last meeting, was signed by the mayor and is now in effect. Automobile drivers should acquaint themselves with its provisions and be on the safe side. The ordinance appears in another column of this paper.

Correspondents will please mail their letters Monday in time to reach this office Monday evening.

Farmers, Attention.

Wm. D. McKee, representing the state board of agriculture, is expected in Jasper Saturday afternoon, September 16, at 2:30, to address the people on the subject of "Agricultural Organizations and Agricultural Legislation."

Mr. McKee's subject is one that should be of interest to all our people and he ought to have a good audience.

R. L. Rober Married.

The following is taken from a Springfield paper of Tuesday, September 12:

"A quiet home wedding was solemnized Sunday evening at 7 o'clock when Mrs. Lindsay Morgan became the bride of R. L. Roberts. The ceremony was performed by the Rev. C. B. Miller, pastor of the First Baptist church. The bride was daintily gowned in white georgette crepe. She was attended by Miss Evelyn Jones as maid, while A. E. Harris acted as groomsman. Immediately preceding the ceremony Miss Evelyn Cooper sang "Because I Love You, Dear." Mrs. Naomi Jones gave "The Melody of Love" while the nuptials were being celebrated. Mr. and Mrs. Roberts were the recipients of quite an array of handsome gifts, attesting the esteem in which they are held. The out-of-town guests were Mrs. J. C. Poindexter and S. B. Austin of Imboden, Ark., Mr. and Mrs. George Holland of West Plains, O. E. Roberts, Dyson Roberts and N. H. Patterson of Jasper, Mo. A large number of Springfield friends witnessed the ceremony. Mr. and Mrs. Roberts will be at home to their friends at 707 South street."

Mr. and Mrs. Roberts are expected here this week for a short visit, where they will receive the congratulations of Mr. Roberts' host of Jasper friends.

White House Organ Chimes.

The first number of the Lyceum Course will be here Monday, September 25. The name of the company is the Cheney Concert Co., but the great attraction for many of our people will be the beautiful White House Organ Chimes that this company carries. It is a musical company of two ladies and two gentlemen that is one of the best attractions on the road.

Season tickets for the course of five entertainments will be on sale this week at \$1.00. The course in an excellent one and price of the season tickets is very reasonable.

Little Boy Badly Hurt

Floyd, the little son of Postmaster and Mrs. Hardaway, was badly hurt last Saturday evening while playing with some other children near where Rue Webb and some others were playing ball. While batting, the bat slipped from Rue's hands and struck the little boy in the side, breaking two ribs and causing other internal injury.

It was thought at the time that the injury was more than the little fellow could bear, but he rallied and will probably be out again in a few days.
